

SEIU Kids First, A Strong Voice for Family Child Care Providers!

Child Care providers across Minnesota are forming a union with SEIU to promote quality child care. We want...

- *All children to have access to high quality child care and early childhood education.*
- *To make sure working families can choose and afford the care what is right for them.*
- *To ensure adequate, reliable funding for quality care.*
- *To stabilize the workforce with higher rates, affordable health care, and more opportunities for training and career advancement.*
- *To gain an important voice for providers in decisions that affect us and the children we care for.*

WHAT WE ARE FACING

Inadequate funding for families that need child care to keep working

Unfunded mandates;

And new rules and standards being imposed on us and the families we serve.

We deserve a voice at the table!

***IT'S TIME FOR PROVIDERS TO COME TOGETHER
AND SPEAK WITH UNITED VOICES!***
